**JOINT ATOMIC ENERGY INTELLIGENCE COMMITTEE**

3 November 1958

MEMORANDUM FOR: Executive Secretary  
United States Intelligence Board

SUBJECT: Mission and Functions of JAEIC

1. A draft DCID containing the mission and functions of JAEIC has been considered and approved by the Committee, with footnotes on certain points of disagreement. In accordance with your telephone conversation with Dr. Scoville, we are holding this draft for comparison and coordination with the SIC and GMIC terms of reference.

2. As you know, there are certain aspects of the GMIC terms of reference which are still under consideration. At such time as these are resolved, we would expect that the draft DCID's for the three subcommittees can be made to conform insofar as is practicable. At that point, we will forward a JAEIC-approved draft to you for USIB consideration.
